

- In the previous weeks:
  - Continued working on the OTA & BGR layouts. Still encountering issues in LVS (stamping issues). Meeting Tal next week for help.
  - Started working on mid-term presentation, we decided to present the pre-layout results. Will be ready in 2-3 days.
- 
- Next week:
  - Mid-term presentation
  - Meeting with Tal
  - Continuing working on layout, hopefully passing LVS & DRC by mid March
